

WORLDEDUCATION.ONLINE

A NEW DIRECTION IN EDUCATION DESIGNED TO DEVELOP INDEPENDENT THINKING THROUGH STRUCTURED QUESTIONING, REAL-WORLD UNDERSTANDING, AND LEARNING HOW TO THINK — NOT SIMPLY WHAT TO THINK.

FRAMEWORK

Learn to Question (L2Q)

is a structured framework for questioning information, examining evidence, and understanding behaviour and incentives in the real-world environment

INFRASTRUCTURE

World Education Online (WEO)

provides the educational infrastructure — books, materials, videos, and resources designed to help people learn directly from the real-world environment.

MOVEMENT

Question to Learn (Q2L)

is the movement that shares questioning materials so others — especially children — can receive them and learn to question the world around them.

EDUCATION SHAPES SOCIETY.
QUESTIONING RESHAPES THE WORLD.

QUESTIONING SHAPES EDUCATION.
THE WORLD IS THE REAL SCHOOL.
